Unto the populace of Atlantia, greetings from Alisoun MacCoul of Elphane, Golden Dolphin Herald!

The Laurel Office has notified us of the results of its considerations at the meetings in August, 2006. These results were conveyed in a letter received in Atlantia on 22 November, 2006.

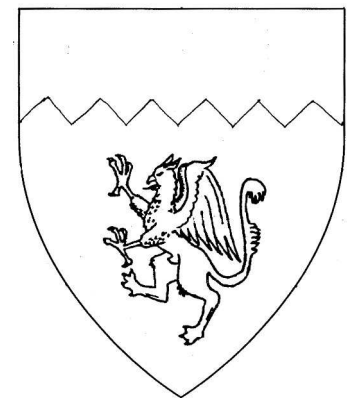

### ACCEPTANCES:

The following items were REGISTERED by the Laurel Office:

**Katharin Ann Muir.** Name.

**Mavis M'Encrogh.** Name. Her name was submitted as Maeve M'Encrogh. In registering her name, the Laurel Office ruled that *Maeve* is a modern anglicization of the Gaelic given name *Meadhbh* and also ruled that it could no longer be registered in the Society unless someone could come up with evidence for its use in period. To register the name, the Laurel staff substituted the Scots given name Mavis which they documented to 1532.

**Orum MacGregor.** Name.

**Barony of Ponte Alto.** Badge for Onore del Ponte d' Oro. Per fess sable and Or, a fleur-de-lys and a single-arched bridge counterchanged.

## RETURNS:

The following item was RETURNED by the Laurel Office:

**Elizabet Sinclair of Rosslyn.** Device. Sable, a mullet of eight points Or within a bordure argent mullety of eight points sable. Her name had previously been returned by the Laurel Office. Since the submitter specifically forbade formation of a holding name, the Laurel Office could not register the armory under a temporary name and had to return the submission completely.

**PENDS:**

The following item was PENDED by the Laurel Office:

**Eleanor de Montfort of Atlantia.** Device. Per bend argent and vert, in cross a roundel between four crescents in cross, horns outwards, all counterchanged. Without changing the emblazon in any way, the Laurel Office moved the descriptive “in cross” to the beginning of the blazon and pended the armory until the meetings of March, 2007, for further conflict checking by the College of Arms.

Your servant,

**Alisoun**
