

27 January, 2007

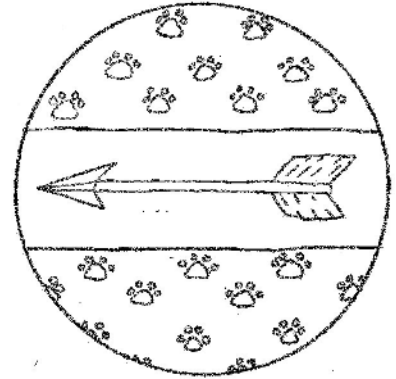

Unto the populace of Atlantia, greetings from Alisoun MacCoul of Elphane, Golden Dolphin Herald!

The Laurel Office has notified us of the results of its considerations at the meetings in October, 2006. These results were conveyed in a letter received in Atlantia on 22 January, 2007.

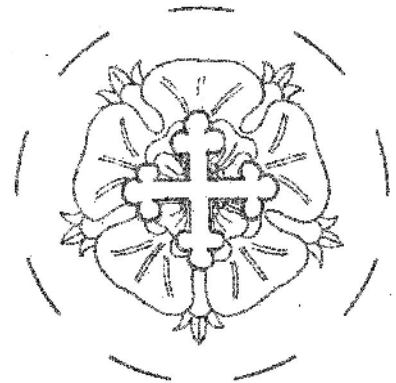

ACCEPTANCES:

The following items were REGISTERED by the Laurel Office:

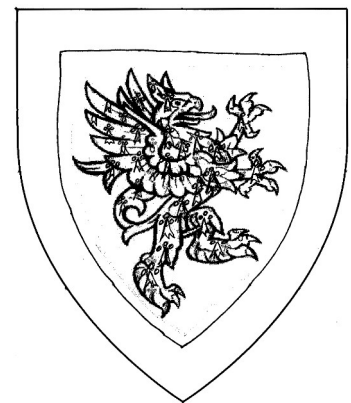

Allen of Wolfhou and Blitha of Wolfhou. Badge. Azure semy of wolf's pawprints argent, on a fess Or an arrow reversed proper, flighted vert.

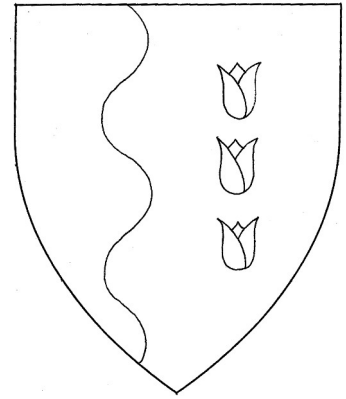

Celia of Rosedale. Badge. On a rose azure a cross bottony Or.

Edward Shirebrooke. Change of device. Argent, a griffin segreant to sinister azure ermined argent within a bordure sable. His old device ("Sable, on a fess between two ostrich feathers fesswise reversed argent, an ostrich feather fesswise reversed gules.") has been released

Gabriel vander Strate. Name and device. Sable, three tulip blossoms in pale and a tierce wavy argent.

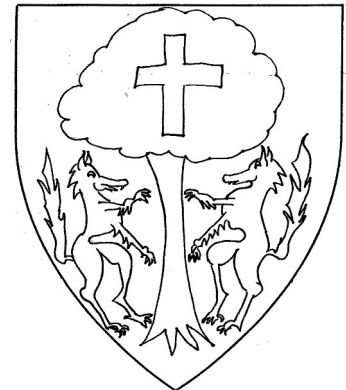

Ginevra Isabetta del Dolce. Name.

Helwynn Ivelchild. Name.

Lucien de la Rochelle. New badge. (Fieldless) In pale a demi-sea-dog contourny Or issuant from a fountain.

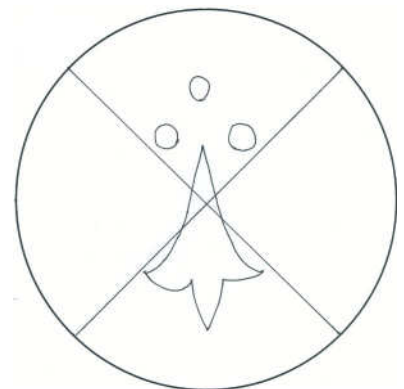

Thomas Fitzcharles of Cheltenham. Name and device. Argent, a tree proper between two wolves combatant sable, charged on the foliage with a Latin cross argent.

RETURNS:

The following item was RETURNED by the Laurel Office:

Katharine Devereaux. Badge. Per saltire Or and sable, an ermine spot counterchanged. The Laurel Office ruled that the ermine spot was so unevenly divided in tincture that it must be considered as sable for purposes of conflict and so returned this submission for conflict with Daimhín Sinna's badge (“(Fieldless) An ermine spot sable.”)

Your servant,

Alisoun
