In registering the name, the Laurel Office changed the preposition to Danish *av* from the submitted *of* ruling that the locative Mors was adequately documented as late period Danish but that there was insufficient evidence that the place name Mors was commonly used in English.

## RETURNS

The following items have been returned for further work:

**Barre FitzRobert of York.** Change of badge. (Fieldless) On a sun Or a horned owl perched atop an arrow fesswise reversed azure. The Laurel Office returned this badge for conflict with This badge is returned for conflict with Laurelen Darksbane (“Azure, vetú ployé sable, fimbriated, on a compass star Or an annulet azure.”), ruling that, even though the submitter had permission from Laurelen for his current badge (“(Fieldless) On a sun Or a horned owl perched atop a spear azure.”) to conflict with Laurelen’s device, a new letter of permission to conflict was required in order to change the spear to an arrow.

**Stierbach, Barony of.** Order name for the Order of the Silver Heart. The order name was returned for conflict with the Barony of Silverhart with the comment that that the identical sound and similar spelling would probably prevent the order name from being registered even with permission from the barony for the order name to conflict.

**PENDS**

The following item was pended for the stated reason:

**Barre FitzRobert of York.** Change of device. Sable, a sheaf of three arrows inverted Or surmounted by a coronet argent and in chief three suns Or. The Laurel Office pended this submission until the meetings of December, 2008, because the coronet was blazoned as argent but appeared to be Or on the submitted forms.
