## RETURNS

The following item has been returned for further work:

**Richard le Bere.** Name. Unfortunately, the Laurel Office returned the name for conflict with name of the actor Richard Gere, commenting “the definite article *le* does not contribute to difference, so we are comparing *Gere* with *Bere*. The only difference here is the change of a single letter, which is not a significant enough visual change to clear the conflict.”

Your servant,

**Alisoun**
