

23 August, 2008

Unto the populace of Atlantia, greetings from Alisoun MacCoul of Elphane, Golden Dolphin Herald!

The Laurel Office has notified us of the results of its considerations at the meetings in March, 2008. The results for this meeting were contained in a letter from the Laurel Office bearing the date of 31 July, 2008, and emailed to some kingdoms during Pennsic. However, many kingdoms, including Atlantia, were omitted from this distribution, a fact apparently not realized by the Laurel staff until an urgent query from Golden Dolphin to the Laurel staff. The letter of results from the March meeting was thus received in Atlantia only on 23 August and, as I write, has not yet been posted to the Laurel web page. Triton and I apologize to our populace for the additional delay in notification and wish to pass on to you all the assurances of the Laurel Office that this distribution problem will not be repeated.
