### Damon Wayne - New Name & New Device

*Or, a rermouse and a bordure sable.*

Consulting Herald: Rhiannon Morgaine, Finsterwald Pursuivant

In the comic book, Damian Wayne is the biological son of Batman (<http://www.comicvine.com/damian-wayne/29-42413/>). In-Kingdom commentary was divided over whether or not this put the combination of the device & name into either "presumption" or "obtrusively modern", but since by precedence (02-2010 LoAR) Laurel had already declined to protect the Batman logo, we felt it would be best to send this up for decision, it being closer to that logo than the 02/2010 submission.

---

### Etaín Dílis ingen Finn - New Name Change & release of device

Old Item: Aillenn Dílis ingen Néll, to be released.

Client wishes to release her device registration, "*Per fess azure and vert, a crescent pendant argent and an oak leaf fesswise Or*", registered July 2006 via Atlantia.

Consulting Herald: Emelyn Grenville of Devon

---

### Ezechiel Burgess - New Name

Consulting Herald: Isabella Delfino, Sable Trident Pursuivant

---

### Gilbert de Chatillon - New Name

Consulting Herald: Fionn MacKonnell, Pursuivant Extraordinary

Originally submitted with the surname "de Châtillon", the documentation did not support the use of the circumflex accent (^) so as the submitter does not bar major or minor changes, the spelling of the name has been changed to match his documentation.

---

### Girard de Bereham - New Name Change & New Device

*Per pall inverted sable, azure and argent, three bears rampant counterchanged argent and sable.*  
 Consulting Herald: Maaline Renard, Undine Pursuivant

### Kunigunde von Darmstadt - New Device

*Per chevron gules and Or, two acorns and a sealion counterchanged.*  
 Consulting Herald: Patricia of Trakai, Drakkar/Manticore Pursuivant

This is a resubmission for a device "*Per chevron gules and Or, in base a heraldic sealion and in chief two compass stars Or*" that had been returned by Atlantia in March, 2012 for conflict with Evron Beaumaris the Gallowglass (10/86 Caid) "*Per chevron gules and Or, three suns counterchanged.*"

### Robert Leftehand of Weymouth - New Name

Consulting Herald: Fionn MacKonnell, Pursuivant Extraordinary

### Yrsa Sørkvir - Resub Name

Consulting Herald: Alisoun MacCoul of Elphane, Metron Ariston Herald Extraordinaire

## Returns

### Æscwyn of Mercia - New Name & New Device

*Per pale throughout argent and azure a seeblatt and on a chief wavy two arrows fesswise, all counterchanged.*

WITHDRAWN BY SUBMITTER (Her new name and the same device will appear on the October LoP.)

### Rachel the Younger - New Device

*Argent, a bend gules between two escallops inverted azure".*

Device Consulting Herald: Patricia of Trakai, Drakkar/Manticore Pursuivant

The bend is considered too thin and will need to be redrawn. It is possible that the escallops would benefit from being enlarged but that may depend on the size of the "new" bend.

### Thomas Séamus Tremayne of Argyll - New Name

This is a resubmission of an Atlantian Kingdom return of August, 2012, for "Thomas Tremayne". It had difficulty with documentation of the (later period pattern) double-given name during commentary and was already being reworked by the submitting herald. Look for the new submission on the October Letter of Proposal.

Consulting Herald: Mordeyrn Tremayne, Pursuivant
