This item must be returned for administrative reasons. Per the Administrative Handbook IV.C.1, "A minimum of one set of black-and-white armory forms is required for all armory: the one to be maintained in kingdom files. Black-and-white generally means "coloring book style" or "line drawing", though black portions may be colored in." The forms submitted have the azure portion colored in black in the black and white copy, rather than in outline form as required.
