The following pages show the combatants and consorts who will vie for the Crown of Atlantia. We know you will join us in wishing all of them good fortune and thanking them for their willingness to serve the Kingdom.

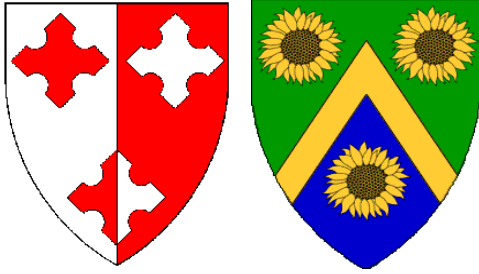

Combatants and consorts are shown in Order of March (by highest rank of the pair). If the person has a name and device registered with the College of Arms, that is what is shown. The person may be using a name other than the one registered. The combatant does not always display their own heraldry on their shield or may depict it differently. For those without a registered device, the blue Spike badge is shown.
